Without Your Love

I learned to listen
& saw how to love
It was always easy to do
When I had a teacher like you

Without your love
Who would I ever be
Without your love
If you weren't there for me
I never would have made it
No I never would have even tried
Without your love

All through the hard times
& through the fun
You have always been there for me
& I'm glad that I'll never be

To guide me through my darkest hour
& to give to me the power of your love
